

Times are tough for everyone and families are trying to stretch the money as far as possible. STAY in the beautiful NORTHWEST and save thousands of dollars in travel and needless motel room nights by choosing the BEST National Tournament right here in your backyard, the NAFA National Championships. We save you money on airfare, and on needless motel rooms by not forcing teams to play on Mon, Tues, Wed. Everyone gets to travel and play on Thursday and almost every team plays until Sunday (or at the earliest is done Saturday night).

We do not want you to miss out in participating in the best girls fastpitch tournament west of the Mississippi. Complete details on the Tournament can be found at Youthfastpitch.com

This is your official invitation to the:

"2009 NAFA National Championships"

July 23 – July 26, 2009
